

The Heart & Lung Transplant Foundation is a non-profit organisation providing care and support to patients suffering from advanced heart and/or lung failure and related disorders.

The Foundation supports the provision of heart and lung transplants for Western Australians in their own state, with the vision that patients will be able to participate fully in day to day life, both prior to and after transplantation.

Through its support of transplantation, which includes patient support, subsidising medical research in to heart and lung disease and increasing donor awareness, the Foundation will ensure patients have every opportunity to achieve optimum health.

The Heart & Lung Transplant Program is part of the Advanced Heart & Lung Disease Program at Royal Perth Hospital. The program is a centre of excellence and has become a world leader in patient management. The Foundation recognises the importance to patients of maintaining the program and thus the need for ongoing research.

The Foundation receives no government funding and relies on the continued support of individuals and corporate partners to expand its services.

Help us in the fight against heart and lung disease and make a donation today.

Gifting Opportunities

As a not-for-profit organisation the Foundation relies on its fundraising efforts and the generosity of sponsors, supporters and the community to enable it to continue to make inroads into heart and lung disease.

Your support is very important and will enable us to continue to make a difference.

All donations over \$2 are tax deductible and will be acknowledged by a tax receipt.

There are various way you can show your support including;

Make a Contribution

Donations

A donation is generally a one-off payment of varying amounts.

Pledges

A pledge is generally a specified amount given over a period of time.

Tribute Gifts

A tribute gift is a meaningful way to make a donation in the name of your family and friends. This can be in honour of a special occasion or in memory of a deceased loved one and provides you with a lasting and worthwhile contribution.

Bequests

A bequest enables you to convey your final wishes. Remembering the Foundation in your will is a most precious gift and will enable the good work of the Foundation to continue.
